Allen,

We plan to meet at the BLM office on Youngsfield at 2. Brent Lewis will be there also. So, this is intended to be just a general conceptual discussion with Todd about options at the Gold King and also the implications if any a bulkhead is placed in R n B, what might happen at Gold King.

Let's touch base early next week.

Thanks,

Steve

Hi Steve, I can make a meeting at either Starbucks or the Fed Center that afternoon. Can't think of any other viable options out that direction. I'll be at the office that morning, so we could meet at DRMS, but that means traffic and parking issues. -Allen

Allen,

Todd is proposing to meet in Lakewood at the Starbucks on Union at 2 PM. If you have any better suggestions let me know. One option that I might propose is at the Federal Center BLM office. Anyway, that area will be easier for all of us rather than downtown.

Let me know what you think.

Steve-

How about the Starbucks on the east side of Union Blvd north of Alameda Ave at 2 pm on Weds? I figure this is a preliminary meeting, and we can set up a larger meeting formally once we have some ideas worked out. The Starbucks address is 17 Union Blvd.

Todd,

Just got your message, and I need to go get on a conference call, but Wednesday afternoon works for me. Sometime around 1 or 2 PM is fine for me. Is your office in Silver Plume ?
